Work Retreat tasks can be physically demanding, including some heavy lifting, with work periods totaling five hours each day. Both departments require the use of common cleaning chemicals.

- Housekeeping tasks include laundry, bathroom cleaning, vacuuming, window washing, dusting, stocking of cleaning supplies, and other general duties.
- Kitchen tasks include cleaning, stocking food supplies, removing compost and recycling, routinely lifting 25-50 pound items, and bending. Helping in this department means frequent exposure to hot and cold temperatures.

We appreciate your flexibility in serving where needed. If you have experience in either department, or a preference, please indicate below:
